

A CALL TO ACTION

“What The Public Can Do”

- Contact your elected officials and urge their support of public mental health funding (a list of our local, county, state and federal representatives can be found at <http://66.132.193.84/advocacy.html>)
- Create awareness by discussing, with your family, friends, neighbors and businesses, the fact that the safety net for the sickest and poorest mentally ill is in peril.
- Become a volunteer with the National Alliance on Mental Illness
- Contribute to your local Mental Health Center
