

# SEARCHING FOR MOTIVATED EMPLOYEES?

TRY LOOKING IN A  
DIFFERENT PLACE!

Two-thirds of  
people with mental  
illness want to work  
but only 15% are  
employed.

Hundreds of people in the  
Quad Cities are ready to  
return to work - taking their  
next step to reclaim their lives  
from mental illness.

With the professional expertise  
of Vera French supporting the  
employee **AND** the  
employer, everyone wins!

*Call to set up an  
onsite visit at your  
location for more  
information.*

Mental Health for Healthy Living

## IPS WORKS BECAUSE WE BELIEVE...

- Every individual who wants to work is eligible.
- IPS services are integrated with mental health treatment.
- Competitive employment is the goal.
- Personalized benefits counseling is provided.
- Job search starts soon after an individual expresses interest in working.
- Follow-along supports are continuous.
- Individual preferences are a priority.
- Relationships with employers should be based upon client job interests.
