MY HIGHLY CONFIDENTIAL INFORMATION:

I specifically authorize the use and/or disclosure of the type of highly confidential information indicated below, if any such information will be used or disclosed pursuant to this Authorization:

- Information about Substance (i.e., alcohol or drug) Abuse, including SUD counseling notes, assessments, diagnoses, treatment plans, medication-assisted treatment documentation, and discharge summaries.
- Information about a Mental Illness or Developmental Disability
- Information about HIV/AIDS Testing or Treatment (including the fact that an HIV test was ordered, performed or reported, regardless of whether the results of such tests were positive or negative)
- Information about sexually transmitted infection

I do not authorize the disclosure of my highly confidential information

This authorization is voluntary and I understand that I may revoke this authorization at any time in writing, except to the extent that action has already been taken in reliance on it, by sending written notice to the VFCMHC. I understand the person or agency receiving this information will be notified not to disclose this information without further written consent. I understand that VFCMHC cannot guarantee that the recipient will not re-disclose this information to a third party. The recipient may not be subject to federal laws governing privacy of health information. The confidentiality of Substance Use Disorder (SUD) patient records is protected by federal law (42 CFR Part 2). Records disclosed pursuant to this authorization may be redisclosed by recipients that are covered entities or business associates under HIPAA in accordance with the HIPAA Privacy Rule. However, SUD records may not be used or disclosed in civil, criminal, administrative, or legislative proceedings against the patient without the patient's specific written consent or a court order. Any release made prior to my cancellation of this authorization shall not constitute a breach of my rights to confidentiality. I understand that I may review the disclosed information or ask questions by contacting the VFCMHC at the above address.

I understand that this health information may include information relating to diagnosis or treatment of psychiatric disabilities, substance abuse, and/or information about serious communicable diseases or infections including HIV/AIDS, ARC, TB, Hepatitis B and venereal disease as permitted by law, and that by signing this form, I am specifically authorizing the release of this information.

I understand that VFCMHC may not require completion of this form as a condition of treatment. However, when the provision of services is solely for the purpose of research related treatment or creating information for disclosure to a third party, refusal to sign may result in denial of those services.

I understand that I have the right to request an accounting of disclosures of my substance use disorder information made pursuant to this authorization for up to three (3) years prior to the date of my request, as permitted under 42 CFR Part 2.

I understand that I may file a complaint with the U.S. Department of Health and Human Services if I believe my confidentiality rights under 42 CFR Part 2 have been violated. I understand that I will not be retaliated against for filing a complaint.

THIS AUTHORIZATION WILL REMAIN IN EFFECT FOR ONGOING EXCHANGE OF INFORMATION UNTIL:

A COPY OF THIS DOCUMENT WAS OFFERED AND THE CLIENT:

- Received Copy
- Declined Copy

NOTE TO THE RECIPIENT OF DISCLOSED MENTAL HEALTH INFORMATION:

Disclosure of mental health information may only be made pursuant to the written authorization of the individual or their legal representative, or as otherwise provided in Iowa Code 228. The unauthorized release of mental health information is unlawful, and civil damages and criminal penalties may be applied to the unauthorized disclosure of mental health information.

The confidentiality of substance use disorder patient records is protected by federal law and regulations, including 42 CFR Part 2.

This information has been disclosed to you from records protected by federal confidentiality rules (42 CFR Part 2). The federal rules prohibit you from using or disclosing this information unless further disclosure is expressly permitted by the written consent of the individual whose information is being disclosed or as otherwise permitted by 42 CFR Part 2. A general authorization for the release of medical or other information is NOT sufficient for this purpose. The federal rules restrict any use of the information to investigate or prosecute a patient with a substance use disorder, except as permitted by law. The confidentiality of problem gambling patient records and information is protected by HIPAA, Iowa Code Charter 228 and Iowa Code section 22.7(35).

MINOR CONSENT AND REVOCATION OF AUTHORIZATION

If the client is a minor, this Authorization may be signed by the minor, the minor's parent or legal guardian, or both, as permitted by applicable law.

If the minor client is legally authorized to consent to their own treatment or services (including, but not limited to, mental health services or substance use disorder (SUD) services), the minor client also has the authority to authorize the use and disclosure of their protected health information related to those services.
